

## Date and Cocoa Truffles

Serves 3-4

### Ingredients:

1 ½ cup pitted dates  
3 tablespoons cocoa powder  
Pinch salt  
3 tablespoon shredded coconut

### Tools Needed

Food processor  
Measuring Cups and  
Spoons

### Preparation:

1. In a food processor, blend coconut and half of the dates until well blended and sticky.
2. Add in the pinch of salt, cocoa powder, and remaining dates. Pulse until mixture forms a paste, which should pull away from the sides and form a ball.
3. Remove mixture from food processor and carefully shape into 1-2 inch balls.

Optional: You can roll and coat the truffles in cocoa powder, powdered sugar, sesame seeds, toasted coconut.
